Reconstruction of Ukraine and international aid

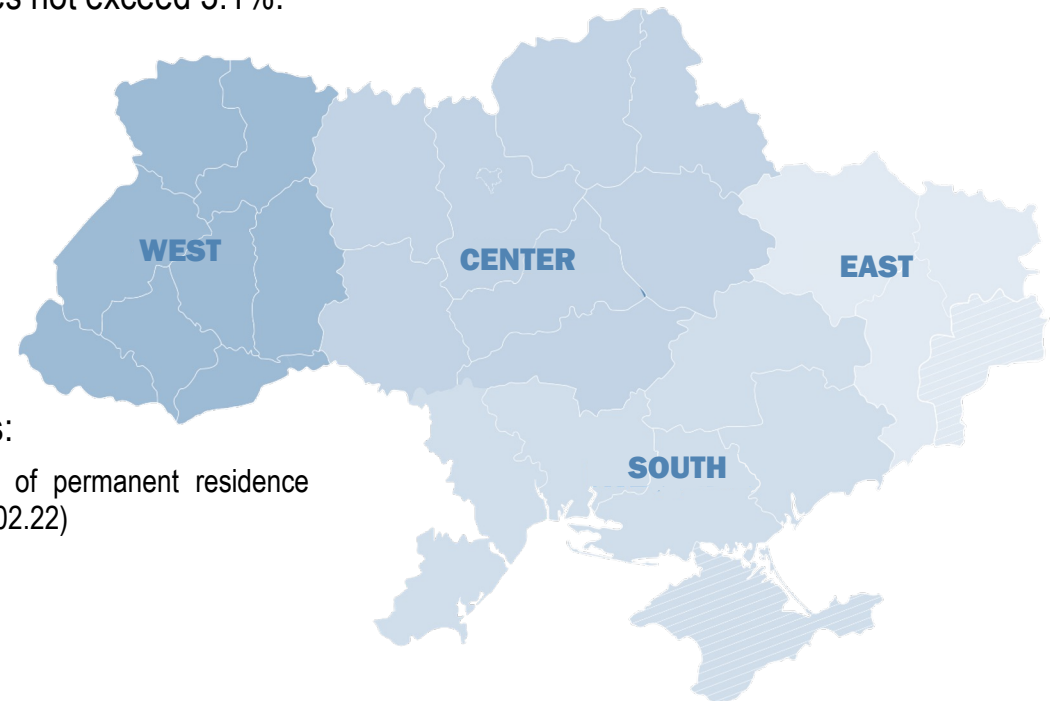

November 20-21, 2022

Methodology

- Audience: the population of Ukraine aged 18 and older in all regions, except for the temporarily occupied territories of Crimea and Donbas, as well as the territories where Ukrainian mobile network was not available at the time of the survey. The results are weighted using the current data from the State Statistics Service of Ukraine
- The sample is representative in terms of age, gender, and type of settlement
- Sample population: **1000 respondents**
- Survey method: CATI (Computer Assisted Telephone Interviewing). Based on a random sample of mobile phone numbers
- The margin of error of the study with the confidence interval of 0.95: does not exceed 3.1%.
- Dates of the survey: **November 20-21, 2022**

The survey was commissioned by the non-governmental organization "Transatlantic Dialogue Center"
